The Zap Gun

By Philip K Dick

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In this biting satire, the Cold War may have ended, but the eastern and western governments never told their citizens. Instead they created an elaborate ruse wherein each side comes up with increasingly outlandish doomsday weapons weapons that don t work. But when aliens invade, the top designers of both sides have to come together to make a real doomsday device if they don t kill each other first. With its combination of romance, espionage, and alien invasion, The Zap Gun skewers the military-industrial complex in a way that s as relevant today as it was at the height of the Cold War.

Reviews

Very good e book and beneficial one. It can be filled with wisdom and knowledge Your life period is going to be enhance when you full reading this ebook.

-- **Arlene Kemmer**

The book is straightforward in read safer to recognize. This really is for anyone who statte there had not been a worthy of looking at. You may like just how the blogger create this publication.
