PUBLIC ENEMYS IT TAKES A NATION OF MILLIONS TO HOLD US BACK 33 13

Bloomsbury Academic. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 6.5in. x 4.7in. x 0.5in. and Times New Roman; Christopher R. Weingarten provides a thrilling account of how the Bomb Squad produced such a singular-sounding record: engineering, sampling, scratching, constructing, deconstructing, reconstructing - even occasionally stomping on vinyl that sounded too clean. Using production techniques that have never been duplicated, the Bomb Squad plundered and reconfigured their own compositions to make frenetic splatter collages; they played samples by hand together in a room like a rock band to create a not quite right tension; they hand-picked their samples from only the ugliest squawks and sirens. Weingarten treats the samples used on *Nation Of Millions* as molecules of a greater whole, slivers of music that retain their own secret histories and folk traditions. Can the essence of a hip-hop record be found in the motives, emotions and energies of the artists it samples Is it likely that something an artist intended 20 years ago would re-emerge anew This is a compelling and thoroughly researched investigation that tells the story of one of hip-hops landmark albums. and This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
