By Hannah Smart, Hannah Allum

Brilliant Publications, United Kingdom, 2012. Mixed media product. Book Condition: New. 294 x 208 mm. Language: English . Brand New Book. It's not enough just to be able to say the times tables parrot-style. In order for children to progress with maths they not only need to be able to recite their tables, they also need to understand what it means to multiply and divide and be able to use their tables to solve problems. Use The Mighty Multiples Times Table Challenge to make learning the times tables fun, interactive and practical! Fun - enjoyable activities engage children in their learning Interactive - a visual, auditory, kinaesthetic approach to learning the times tables, to appeal to all children, whatever their learning style: visual - sporty characters associated with each times table, visual grouping sheets, number fans, 100 boards, bingo games; auditory - listen to the songs and poems on the CD; kinaesthetic - Activities to enable you to jump and leap your way through the times tables! Links to PE and the Olympics! Practical - tried and tested method that really works. Integral problem solving - so children learn to use and apply their times tables in real life...
