Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 Excerpt: .animals, and their many engaging attitudes and ways, are so gracefully portrayed? We smile as we admire the great taste with which this artist is endowed, and her inexhaustible imagination which, while ever inventing fresh positions and groupings for her pets, always makes their surroundings harmonize with the soft, fluffy, mischievous little creatures who play the principal role, 1) In order to appreciate fully Mrs. Ronner s marvellous talent, her cats should be examined separately, when it will be seen that each possesses features, character and individuality entirely its own: not one cat only has served her for a model, but she depicts the race in infinite variety, never making two of these playful little creatures quite alike, but varying their expression as well as the marking and colouring of their coats. Especially happy is she in her rendering of the mother cat and the part...
