Brand New Book ***** Print on Demand *****.The Male Mother book is first of a series of four that are designed to help men develop their feminine side. Men are largely unaware of their feminine side that has been ignored and denigrated by many in our modern world. This series of books The Real Men series because it addresses the need for men to become fully mature and effective adults. The Real Men series is about helping adult men develop and integrate their often-ignored feminine side. Otherwise, they are unable to meet many of the challenges of modern life, in general, and fatherhood, in particular. In order to meet these challenges, fathers need to acquire new skills in male mothering. One of the first challenges many adult men face is being able to be an effective father for their children. I have yet to meet a father who feels like he was well equipped for the job. This book presents a more complete picture of what mature adult fathers looks like. It is rare that fathers get this kind of information. Many men do not even know what a mature father looks like, because our culture paints men as macho, dominant, non-feeling critters. It also encourages men who have avoided and denigrated feminine aspects of their personality. This means being more in touch with their feelings and seeking committed, equalitarian, adult relationships. My research clearly suggests there is a rapidly emerging trend among younger men in our culture that supports being interested in developing and integrating their feminine side. This book presents a roadmap of the emerging feminine side of development for men to follow. Many men silently carry quilt and shame about what they...
