A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

How To Meet Your Match Online is the ultimate singles guide to finding love through online dating. Author Laura Henderson is an attorney-turned-relationship expert and has been featured on ABC and NBC as a dating coach and matchmaker. Henderson is the primary matchmaker at Mutual Friend (a Seattle-based matchmaking company for professional, intelligent singles) and is the Founder and CEO of the online dating company Meet Your Match Online. This book has practical advice useful for novice to experienced daters, and even provides links to free downloadable bonus material so that daters can proceed through the step-by-step process from the comfort of their own homes! Though Henderson does ask her readers to do some homework along the way - necessary for the process to be successful - the book remains light and fun as Henderson weaves in her personal online dating journey from her first date with a narcissistic, rock climbing, army doctor to finally finding her husband. Her inclusion of real emails and profiles of would-be suitors will have you laughing...
