New Bharatiya Book Corporation, 2011. Hardcover. Book Condition: New. 1st Edition. Both ancient civilizations of Egypt and India are great and divine. Out of these two, Ancient Egyptian civilization has significant and extensive evidence of its surpassing heights by way of lofty pyramids, beautiful temples, fine art pieces and attractive hieroglyphic writings on papyrus papers. There are ample signs of philosophical and technical progress made by the ancient Egypt. On the other hand , Indian heritage of Philosophy and science is evident from Vedas, Upanishads, some Scientific Sanskrit Books and the great Epics. Attempt is therefore made here in this book to find out answers to these fundamentals problems faced by mankind from ages till date. It is basically a comparison of the thinking of two great ancient civilizations.
