INTERNATIONAL SECURITY: A VERY SHORT INTRODUCTION

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, International Security: A Very Short Introduction, Christopher S. Browning, The subject of international security is never out of the headlines. The subjects of war and peace, military strategy, the proliferation of nuclear weapons and revisionist states remain central to the discussion, but burgeoning concerns such as climate change, migration, poverty, health, and international terrorism have complicated the field. So what really matters? The traditional prioritization of state security or the security...
