

Witham Voices (Tempus Oral History Series)

By Flynn, Arthur

The History Press, UK, 2000. Softcover. Book Condition: New. First Edition. Available Now. From the Back Cover: Witham has been transformed over the last hundred years or so from a small market town with a mainly agricultural economy into a thriving centre and commuter town. This compilation charts these changes in the words of the townspeople themselves, recorded on tape and transcribed with a minimum of editorial involvement. : The whole of the town's life is recorded here, from contributors' earliest memories as children to their recollections of local characters who were already old a generation ago. Life in the home before modern conveniences is vividly explored, when the WC was at the bottom of the garden and the weekly wash took a whole day; there are children's memories of strict school teachers and playing for hours outdoors without the threat of traffic; and a multitude of small shops and businesses, now disappeared, are fondly recalled. How did people follow the latest fashions with the restrictions of clothing coupons? How did people get about without their car? What did people do to relax and enjoy themselves before television? All these questions and more are answered in these pages. : The...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

The very best publication I have ever read through. I actually have gone through it and I am confident that I am going to plan to read through it once more down the road. I found out this ebook from my father and he advised this publication to learn.
