

A Susan Sontag Reader (Paperback)

Filesize: 4.15 MB

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

(Ervin Crona)

A SUSAN SONTAG READER (PAPERBACK)

Farrar, Straus and Giroux, United States, 1982. Paperback. Book Condition: New. Reprint. 224 x 155 mm. Language: English . Brand New Book. Susan Sontag occupies a special place in Modern American letters. She has become our most important critic, while her brilliant novels and short fiction are, at long last, getting the recognition they deserve. Sontag is above all a writer, which is only to say that, though the form may differ, there is an essential unity in all her work. The truth of this is perhaps more evident in A Susan Sontag Reader than in any of Sontag s individual books. The writer selected a sampling of her work, meaning the choice both to reflect accurately a career and also to guide the reader toward those qualities and concerns which she prizes in her own writing. A Susan Sontag Reader is arranged chronologically and draws on most of Sontag s books. There are selections from her two novels, The Benefactor and Death Kit, and from her collections of short stories, I, etcetera. The famous essays from the 1960s-- Against Interpretation, Notes on Camp, and On Style -- which established Sontag s reputation and can be fairly said to have shaped the cultural views of a generation are included, as are selctions from her two subsequent volumes of essays, Styles of Radical Will and Under the Sign of Satury. A part of Sontag s best-selling On Photography is also included. It is astonishing to read these works when they are detached from the books they appeared in and offered instead in the order in which Sontag wrote them. The connections between various literary forms, the progression of themes, are revealed in often startling ways. Moreover, Sontag has included a long interview in which she moves mroe informally over the whole range...
