Brand New Book ***** Print on Demand *****.Excerpt from **Caledonia, Vol. 3: Or, a Historical and Topographical Account of North Britain, From the Most Ancient to the Present Times, With a Dictionary of Places, Chorographical and Philological** In prosecution of my plan for removing the difficulties, settling the disputes, and clearing the obscurities of the history and antiquities of Scotland, I now presume to lay before the Public the second volume of my **Caledonia**. For effecting those several objects in my first volume I treated of the more ancient history of Scotland in four Books; the first containing the Roman Period, and ending with 446 A.D.; the second comprehending the Pictish period, and closing with 843 A.D.; the third treating of the Scottish affairs, and finishing in 1097 A.D.; and the fourth book discussing the colonization and history of the Scoto-Saxon people, and concluding with 1307 A.D. The four books thus ascertaining in ample detail the ancient history of North-Britain. But though many novel views were given and a thousand uncertainties were ascertained, that volume has not been formally controverted. Every intelligent person has acquiesced in its moral certainties however new and unexpected, except Doctor Jamieson alone, who has attempted to controvert them in his Prefatory Dissertations on the Scottish language. Yet he who reasons against facts shews little discretion as a logician, and he who pretends to out-argue demonstration, only evinces that as a lexicographer he loves theory better than truth. I shall not, however, make in this place any reply. There will be found in the subsequent volume a thousand facts which contradict his etymological speculations on the Scottish language, which never existed in a separate state from the old English, as...
