Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, **Increasing the Contribution of Small-scale Fisheries to Poverty Alleviation and Food Security: FAO Technical Guidelines for Responsible Fisheries. 10**, Food and Agriculture Organization of the United Nations, Most small-scale fisheries are in developing countries and many live in poor and food insecure communities. These guidelines consider how small-scale fisheries can contribute to poverty alleviation and food security, and complement existing technical guidelines on sustainable fisheries. The issues discussed include: participation by small-scale fishers and their communities in development of policy and regulation measures, as well as in management decision-making and implementation processes; cross-sectoral uses of fisheries and related resources; the special role of women in fish marketing, processing and value addition; the significant scope for trade; financing; and information research and communication aspects.
