Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

(Giovanny Rowe)

LISTENING TIME

Free Spirit Publishing Inc.,U.S., United States, 2008. Board book. Book Condition: New. Marieka Heinlen (illustrator). 180 x 178 mm. Language: English . Brand New Book. Put away the wiggles. Put away the giggles. Listening works better when your body s calm and still. When it s time for young children to listen closely, this book sets the tone. They discover that it s important to open their eyes and ears but to close their mouths (zip it, lock it, put it in your pocket) so good listening can begin. An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Part of the Toddler Tools series, Listening Time can be shared before (or during) the desired time, or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.
