Reviews

It is straightforward in read through safer to recognize. It really is full of knowledge and wisdom I am just easily could get a satisfaction of reading a created pdf.

(Mr. Sigrid Swaniawski PhD)

SOLDIERS OF REASON: THE RAND CORPORATION AND THE RISE OF THE AMERICAN EMPIRE

Mariner Books. Paperback. Book Condition: New. Paperback. 400 pages. Dimensions: 7.9in. x 5.2in. x 1.0in. Born in the wake of World War II, RAND quickly became the creator of Americas anti-Soviet nuclear strategy. A magnet for the best and the brightest, its ranks included Cold War luminaries such as Albert Wohlstetter, Bernard Brodie, and Herman Kahn, who arguably saved us from nuclear annihilation and unquestionably created Eisenhowers military-industrial complex. In the Kennedy era, RAND analysts and their theories of rational warfare steered our conduct in Vietnam. Those same theories drove our invasion of Iraq forty-five years later, championed by RAND affiliated actors such as Paul Wolfowitz, Donald Rumsfeld, and Zalmay Khalilzad. But RANDs greatest contribution might be its least known: rational choice theory, a model explaining all human behavior through self-interest. Through it RAND sparked the Reagan-led transformation of our social and economic system but also unleashed a resurgence of precisely the forces whose existence it denied -- religion, patriotism, tribalism. With *Soldiers of Reason*, Alex Abella has rewritten the history of Americas last half century and cast a new light on our problematic present. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
