Brand New Book ***** Print on Demand *****.What if we craved God more than we crave the appetites of our flesh? What if we were obsessed with knowing God more than we are obsessed with our personal entertainment and comfort? Deep within our hearts is a nagging restlessness, a persistent desire for something more than the life we re living. For some of us, it s little more than an occasional distraction, a subtle drone in the background of our minds. For others, it is a relentless hunger that clamors for fulfillment. While the world around us radiates the splendor of a magnificent Creator, the world within us bears little resemblance to anything splendid. Although we were created to reflect the image of God, we humans are the only creatures on earth that struggle to live the way we are designed to live. Holy Libido will ignite hope within you, fanning into flame your longing for a passionate relationship with God. Holy Libido will infuse you with the courage to expose-and abandon-the lies of the world. Holy Libido will compel you to rediscover the original design of humanity-to live life as God s masterpiece. With intriguing anecdotes, a bit of wisdom, and the author s refreshing sense of humor, Holy Libido will spur you on to rediscover what it means to reflect a hint of the splendor of our majestic Creator.
