Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Picture a wide expanse of ocean, smooth as a polished mirror, and shining like molten silver; a sky of intense blue, without a cloud or speck, forming a vast arch resting on the water; no land or rock in sight; the boundless sea on every side; the sun travelling slowly and majestically along the arch, and casting his burning rays upon the glittering plain below. Let us pause and contemplate that scene. What grandeur and sublimity there is in it! What a magnificent edifice does it seem! When compared with it, how utterly insignificant and contemptible do all the works of man s hands appear! Then watch the sun sink with rays of glory in the west; the bright rich tinge glowing for a time, and gradually fading away before the obscurity of night; the stars coming forth and shining with a splendour unknown in northern climes; and then the moon, a mass of liquid flame, rising out of the dark sea, and casting across it a broad path of the silvery light. Watch the tranquil luminary glide also through her destined course, till once more the sun rushes upward from his ocean-bed in a sheet of fire, and claims supremacy over the world. This is one of the many grand and wonderful objects beheld by those who sail across the ocean, and amply does it repay for a long voyage those who have taste to appreciate its beauties.
