Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Utilizing quotations from late nineteenth-century writings, Wisdom guides practitioners of spiritual healing through a meditative journey toward the deeper secrets of mind-body healing. History seems to have all but forgotten Andrew Jackson Davis and Phineas Quimby, two giants of nineteenth-century spiritual philosophy and wholistic healing. Their work was foundational to late twentieth-century New Age teachings, and yet few have ever read or heard of them. In this beautiful volume Rev. Saloff has selected inspirational and thought-provoking treasures from their works and organized them in a way that both challenges and inspires the reader to personally examine what health and healing mean, physically and spiritually. I have studied Davis for over thirty years, and I find this book to be a wonderful source for some of his most seminal and inspirational thoughts.
